From the President

The Vascular and Endovascular Surgery Society is a national society with close to 1,500 members and a 45+ year history dedicated to advancing clinical practice, research, and professional development of young vascular surgeons. The VESS mission is to improve the quality and safety of vascular & endovascular surgical procedures and general vascular care through education, scholarship, advocacy and leadership.

We are the Next Generation of Vascular Innovators!

Active VESS membership is limited to the first 15 years after completion of clinical training, while distinguished membership status is for subsequent ongoing society engagement and support for junior members. Our members come from every state in the U.S., from both academic and private practices, and meeting attendance routinely includes international presenters and participants from around the world. The structure of the Society and the meetings are conducive to nurturing long-term professional relationships with colleagues, friends, mentors, trainees, and, very importantly, our industry partners.

The VESS Annual Meeting provides the premiere forum for face-to-face interaction with our incredibly diverse group of early career vascular surgeons who represent the future of our specialty.

We seek to have our VESS senior leaders mentor junior partners and trainees in the exciting venue of our meeting. Many VESS members are key opinion leaders, with national and international reputations as experts in vascular surgery. They are residency program directors, division chiefs, and Heart & Vascular Center Directors; their insights and experiences are invaluable to our younger members. The atmosphere at the Annual Meeting is electric and fun. We recognize the extraordinary contribution that our industry partners provide to the ever-changing field of vascular surgery with new devices, technologies, and therapies and we promote this innovation through our technological forum and hands on experiences.

We hope you and your company's colleagues will want to integrate this important educational gathering into your overall strategy for 2024 and beyond. We really do hope you join us in January in Sun Valley. You definitely don't want to miss this great opportunity!

Sincerely, Misty Humphries, MD, 2024-2025 VESS President

EXHIBIT INFORMATION

Meeting Description

The 2025 Annual Meeting of the Vascular and Endovascular Surgery Society will host a three day comprehensive educational experience in the field of vascular surgery and other aspects of vascular surgical care. It is the Society's intent to bring together young surgeons, physicians and scientists from across the country to freely and openly discuss their latest clinical and research findings.

The 49th Annual Meeting will take place February 6-8, 2025 at the Beaver Run Resort in Sun Valley, ID.

Target Audience

The Annual Meeting is presented for the benefit of those physicians, surgeons, researchers, residents, fellows and allied health professionals to promote the field of vascular and endovascular surgery through education, advocacy and leadership.

*EXHIBIT HOURS ARE SUBJECT TO CHANGE BASED ON THE FINAL PROGRAM.

Meeting Registration

Exhibitor personnel must be pre-registered by Monday, January 20, 2025. Names must be provided to the VESS National Office by this posted deadline. Each exhibiting company is allotted two badges per tabletop space purchased. Additional badges are \$300.00 each. Each badge includes admission to the exhibit hall, scientific sessions and the Welcome Reception on Thursday evening. Badges for company representatives can be picked up onsite at the Registration Desk.

Application Deadline

All applications must be received no later than Thursday, January 2, 2025.

Functions

Continental breakfast and afternoon coffee breaks for attendees will be located in the exhibit hall each morning. For additional face time with the doctors, all exhibit representatives are invited to the Welcome Reception on Thursday evening February 6th at 6:00 pm.

Ticketed Events

Exhibitors may purchase tickets to the **President's Dinner** (\$75 per adult, \$35 per child under 10) to be held Saturday evening, February 8, 2025. This is an all attendee and family dinner and will include entertainment. (See sponsor levels for complimentary ticket information.)

Exhibit Space

Each exhibit space will include one 6' tables draped table, two chairs and standard electric if necessary. Exhibits will be tabletop only. No freestanding floor displays will be permitted. Standing equipment may be used in lieu of a table, but request must be sent in writing to the Society's National Office for approval.

Space Assignment

Preferred space will be given to the Society's supporters (if application is received by posted deadline). After the deadline, all other companies will be assigned in the order in which the applications (with payment) were received. Exhibitors wishing to avoid assignment of space adjacent to a particular company should indicate this on their application. Careful consideration will be given to such requests. The Society has the right to alter the floor plan at any time.

2025 Early Career Faculty Program

The objective of the 2025 Early Career Faculty Program is to provide those in their first 1 to 5 years in practice an interactive program to discuss the challenges and opportunities specific to early years in practice.

2025 General Surgery Resident Vascular Interest Program

The objective of the General Surgery Resident Vascular Interest Program is to sponsor and provide network opportunities to all general surgery resident applicants that have an interest in pursuing a Vascular Surgery Fellowship.

2025 Next Generation Student Mentor Program

The Next Generation Student Mentor Program is truly an investment in the future of our specialty by empowering the next generation of medical students to experience the clinical challenges, technological innovation, translational research and fellowship that defines our important specialty. It requires a collaborative effort between medical schools, individual vascular surgeons, vascular societies like VESS, vascular surgical leadership and industry partners alike to successfully recruit this country's "best and brightest" to our specialty. VESS provides travel funding to 25 eligible medical students to attend the annual meeting.

If your company would like to sponsor trainee travel scholarships please contact Angela Wetherbee at the VESS National Office via email (angela@administrare.com) or phone (978-927-7800).
